Lac Courte Oreilles

Employment

Native Employment Works (New)

A Federally funded employment and training program designed to assist participants in gaining job skills and providing the resources necessary to find, secure, and maintain employment. Participants must be actively involved in at least one program or work activity to be eligible for the programs supportive services. Eligibility: LCO enrolled tribal members (Ancillary included) residing in Sawyer County that are: (1) Custodial parent(s) or (2) Non-custodial parent participating in Sawyer County's Children First Program or (3) A General Assistance Recipient.

Director 715-634-8934 / 800-633-6093

LCO Vocational Rehabilitation Services Project

This program is an educational and training program that offers vocational rehabilitation services to Native Americans with disabilities. The project was designed to assist people with disabilities find employment and help them sustain it. Vocational rehabilitation includes an array of services funded by a grant from the U.S. Department of Education. Rehabilitation Services Administration is in cooperation with the State of Wisconsin Division Vocational Rehabilitation.

Director 715-634-4153 / 800-323-2650 (Ext. 303)

LCO Work Investment Act

The Workforce Investment Act provides classroom training or work experience to any tribal member that wishes to attend college/vocational school to continue their education or to upgrade their job skills through the work experience portion. The Summer Youth Program provides leadership skills, job readiness, and soft skills. Eligibility: (1) Must be a tribal member (2) Economically disadvantaged (3) Unemployed (4) Youth must be between the ages of 14-21.

715-634-8934 / 800-633-6093

Treatment Services

Services provided by the AODA Program include counseling, aftercare/follow up, outreach and information assistance, records maintenance, weekly self-help group meetings, and community education activities.

715-634-4795 / 800-323-2650

Education

Consolidated Education Program

Consists of higher education, adult vocational training, and direct employment assistance programs that are designed to aid tribal members pursuing a degree in higher education, job specific training, and/or employment opportunities. Funding is “need based” and participants must meet program requirements to be eligible for funding. Eligibility: Enrolled or eligible to be enrolled in the Lac Courte Oreilles Band of Lake Superior Chippewa Indians or have a High School Diploma, HSED Diploma, or GED. Applications received late or incomplete may be denied due to depletion of annual funding limitations.

715-634-8934 / 800-633-6093

LCO Ojibwe Community College

The North Central Association of Colleges and Schools accredit the Lac Courte Oreilles Ojibwe Community College (LCOOCC) to offer Associate Degrees in Business, Liberal Arts, Science, Health, and Education. The College has “2+2” program opportunities for LCOOCC graduates to earn a bachelor’s degree through a choice of four University of Wisconsin campuses in the following areas of study: Nursing, Agriculture, Natural Resources, Social Work, or Teacher Education. Financial Aid and scholarships are available for eligible students.

Family Preservation and Support

This program provides assistance to individuals and families who are involved within the social services system by offering advocacy, case management, and resource referral services. Family preservation can help connect families with public assistance, energy assistance, job services, counseling, prenatal care and child care. The program also offers family and community education and prevention efforts such as the Community Circle. Eligibility criteria: LCO tribal members and children of tribal members.

715-634-8934 / 800-633-6093

Lac du Flambeau

Employment

ALL Applications can be obtained: at the Reception area of the William Wildcat Tribal Center or by calling: (715) 588-3303.

Applications can be sent to:

**Lac du Flambeau Tribal Personnel, P.O. Box 67,
Lac du Flambeau, WI 54538**

- 1) Any convicted felon must appear before the gaming commission to receive a “waiver” to work for any tribal employer (casino, housing, store, gas station, etc.). Once released, the offender must request to appear before the commission and provide proof of completed treatment and other programming to secure the waiver. If programming is not completed, the commission generally will not grant the waiver. If the commission refuses to provide a waiver, the tribal member has the ability to appear before the entire tribal council to request a “review” and reconsideration for the waiver. Total time involved, from first request, is about 4-6 weeks (depending if appearance before council is required).**
- 2) Felons, even with waivers, are not allowed to work in any position that includes handling money.**
- 3) All tribal members, including felons with waivers, are given preferential placement in open positions within the tribe.**
- 4) If the offender is unable to obtain employment in Lac du Flambeau, the nearest community is 15 miles away-with no public transportation.**

Housing

554 Chicog Street, PO BOX 187

Lac du Flambeau, WI 54538

Ph:(715) 588-3348

Fax:(715)588-7935

- 1) Convicted felons MUST receive permission from Tribal Housing to reside in ANY tribal housing, unless it is privately**

owned. This means that offenders wishing to live with family members must make sure the family submits a request, in writing, for the offender to live in the residence, PRIOR to release from the institution. No permission means any residence. If the family fails to comply with Housing, the entire family can be evicted if Housing chooses to do so.

- 2) Tribal members are allowed to have their name added to the waiting list for housing. The list is generally about 2 years long, so the sooner the name is submitted, the better. If an offender knows his/her release date, and wishes to receive housing, it is best to get on the list immediately. NOTE: There are very few sites for individual/single members. Almost all sites are for families of 3 or more.

Medical

Lac du Flambeau, WI 54538

- 1) Tribal members receive free medical care through Peter Christensen Health Center on the reservation.
- 2) Tribal members receive free dental care through Peter Christensen Health Center on the reservation.
- 3) Mental health, AODA and other counseling services is available fee to tribal members at the Family Resource Center on the reservation.
- 4) Non-Lac du Flambeau tribal members, who have tribal ID cards, are allowed to seek and receive services through the same programs.

Religious Services

- 1) **Big Drum is available on the Lac du Flambeau reservation and can be attended by those wishing to observe traditional “services.”**
- 2) **Catholic, Presbyterian and Baptist churches also exist on the reservation.**
- 3) **Other denominations are available in nearby communities.**

Financial

- 1) **Tribal members are entitled to an annual “per cap” payment, as authorized by the council in the budget. This payment is generally received in the month of November. Per cap payments are generally “held” until an offender is released but are, occasionally, paid to family members following a written request.**
- 2) **Funding is available for attending college through DVR, who has a tribal representative. In addition, those who complete various levels in high school and college are given “grants” by the tribe for doing so.**
- 3) **Any financial need of the offenders can be presented in a “request” to the tribal council, who will vote on the merit of the request. If the request is deemed “reasonable,” and the tribe has the funds, they can provide loans, or grants, to tribal members for specific requests.**
- 4) **All financial benefits, along with medical/educational benefits, are subject to the tribe’s financial solvency in any given year and have to be provided for by the tribe in their annual budget.**

Food Distribution Program

The Lac du Flambeau Food Distribution Program is a U.S. Dept. of Agriculture-funded food program for persons (both tribal and non-tribal members) residing on the Lac du Flambeau reservation and enrolled members of any tribe residing in Vilas, Oneida, southern tip of Iron counties.

The food distribution program provides nutritional food items to eligible participants. Foods such as fruits, vegetables, juices, meats, cereals, cheese, butter, and dry foods are distributed. It is intended to

be a supplemental program and does not provide the total diet. The program also provides cooking and nutrition education classes at the site. The site also includes a food pantry that operates on a referral basis only. Additionally, it is a site for the Salvation Army Emergency Assistance Program.

Community Health Services Department

- **Health Center**
- **Community Health**
- **CHNs/CHRs/Transport**
- **Aides**
- **WIC/Nutrition Services**

The mission of the Community Health Services Department is to encourage and promote individual and community health and well being through programs and activities that prevent disease and injury, foster healthy lifestyles, and reduce environmental risks and hazards for persons who live and work on the Oneida Reservation.

The community health nursing area of the Oneida Health Center provides many services to the community. Provided are the following community health services:

- **Community Options Program**
 - **State and federal long-term care program**
- **Car Seat Program**
 - **Hands on education for proper use and installation of child safety seats and booster seats**
- **Case Management**
 - **To promote patient independence in maintaining health and wellness**
- **Communicable Disease**
 - **Education, investigation, and follow-up**
- **Nutrition Consulting**
 - **Provided to Head Start, child care, schools, AJNH, and elderly feeding programs**
- **Diet Counseling**
 - **Normal or therapeutic diet education by referral of a doctor**
- **Elderly Diabetic Luncheon**
 - **Held the 3rd Thursday of every month at Parish Hall**
- **Elevated Lead**
 - **Provides services to children with elevated blood lead levels**
- **Foot Clinic**
 - **Medical trimming, education, filing, and light massage**
- **Group Nutrition Education**
 - **Educational training on nutritional topics**
- **Health Screenings**
 - **Blood pressure and blood sugar clinics**
- **Head Start Nurse**

- Health services coordinator
- **Immunization Clinics**
 - Weekly walk-in clinics and flu clinics
- **Medical Transportation**
 - Transportation service for medical appointments

Mission Statement – The Oneida Nation Community Education Center partners with tribal and non-tribal entities to address the educational enrichment needs of our community members. This is accomplished through academic instruction, tutoring, career guidance, technology training, and providing challenging learning opportunities. We seek to encourage and inform community members of all ages and different abilities in their pursuit of life-long learning.

Hours of Operation.....920-496-5260

- 7:30 a.m. to 9:00 p.m. (Monday through Thursday)**
- 7:30 a.m. to 5:30 p.m. (Friday)**
- 9:00 a.m. to 3:00 p.m. (Saturday—Test)**

Our goal is to offer student centered instruction and services in the following areas:

- Limited high school credit through PASS units**
- GED/HSED preparation**
- Even Start**
- Home computer classes/keyboarding**
- Basic skills development**
- Tutoring – elementary, high school, and college**
- Aptitude and ability assessments**
- Resume writing**
- Internet access**

Consists of five tests:

- Writing (two sections – Grammar and Essay)**
- Social Studies**
- Science**
- Reading**
- Mathematics (two sections – one with a calculator)**

In Wisconsin, you need a total of 2250 points to obtain your GED:

- Requirements – 10 days residency**
- Age – must be 18 1/2 years old or older**
- Reading level – 9th grade**
- Math level – 11th grade**

The Oneida Community Education Center staff encourages students to stay in school to earn a high school diploma. We will tutor students in any subject to help them accomplish this. If a diploma will not be a reality, then we will help students prepare for the GED/PASS high school credits.

With a contract from your high school in hand, we can assist you in getting a 1/2 credit using PASS units. New students must be a Tribal

member or a Tribal employee’s family member to qualify for the program at no cost. All other students will be charged a fee.

General Information for Higher Education – The Oneida Tribe of Indians of Wisconsin Higher Education Grant can award up to \$20,000 per academic year. Yearly funds are subject to change and are based on federal and tribal allocations. Funding will be based on the Oneida higher education academic year of August 1 to July 31.

The intent of the Oneida Higher Education award is to provide “supplemental” educational grant monies. It is not intended to replace annual income or meet total personal and/or household expenses. The award is based on school expenses as determined by each individual college/university.

Mission – The Higher Education Program of the Oneida Tribe of Indians of Wisconsin promotes higher education to all enrolled Tribal members with continuing efforts toward lifelong learning by providing guidance, support, and financial assistance to those attending accredited institutions of higher learning.

Benefits – Provides financial aid opportunities through tribal and federal funds for members attending post-secondary institutions. It strengthens the Oneida Nation with an educated and trained workforce by improving the quality of life and reinforcing a positive circle of life for future generations.

Elders

Program Policy for Service (Elderly Services) – On January 11, 1994, the Oneida Nation Commission on Aging took action to establish a priority of serving older/elderly or handicapped. Older/elderly are identified as 70 years old and over. It has been our program policy to insure that this group of elders is receiving services that will assist them to maintain an independent lifestyle. This is also documented in our mission statement. If you are unsure of the services that we provide or how we deliver them, please feel free to call and ask.

Elderly Services Provided:

- **Congregate meals**
- **Home delivered meals**
- **Information and referral**
- **Loan closet**
- **Volunteer services**
- **Certified nursing assistant training**
- **Benefit specialist**
- **Senior employment training program**
- **Alzheimer’s support group**
- **Outreach**
- **Emergency home repairs**
- **Home chore**
- **Elder abuse referral**
- **Respite care**
- **In-home chore worker**
- **Advocacy**
- **Activities and crafts**
- **Special events**
- **Fitness center outing**
- **Lifeline**
- **Faith in action volunteer services**
- **Senior companions and foster grandparents**
- **Transportation**

All current employees and new applicants who seek employment with Mohican North Star Casino and Bingo shall not have been convicted or entered a plea of guilty or no contest to any offense that may result in a bar to obtaining or retaining a gaming license, or any other activity that would injure or pose a threat to the public interest, the integrity of the gaming facility or the effective regulation thereof, or enhance the dangers of unfair, unsuitable or illegal gaming practices.

HOUSING/RESIDENTIAL FACILITIES: (TLP'S/HWH'S, Community Development Corporations, etc.)

**Mohican Housing
N8618 Oak Street
Bowler, WI 54416
715-793-4219**

The Division of Community Housing (DCH) is funded through HUD under the Native American Housing Assistance and Self-Determination Act of 1996 (NAHASDA). This act gave Tribes the opportunity to write their own plans for providing housing assistance to their people.

Currently the DCH manages 34 low-income apartments and 37 homebuyers. In addition, there are 12 apartments that are not low income and have a flat rent and security deposit amount set by the

Tribe. These apartments are open to the public.

Because of the independence allowed under NAHASDA, the Tribe has written and approved policies for admission and occupancy for both the low-income apartments and the homebuyer programs.

- **Low Income Apartments**

The apartments have a set maximum, gross annual income amount based on your family size that makes you qualify for an apartment to be occupied. In addition, there is a preference guide. An applicant for a low income apartment must be enrolled Stockbridge-Munsee, a 1st line descendant of an enrolled Stockbridge-Munsee, 2nd line descendent of an enrolled Stockbridge Munsee, or other enrolled Native American. Elders or disabled applicants are given preference for apartments specifically designed for elders or disabled persons.

Some families may qualify for one or more of the following allowances when determining a monthly rent amount; an elder or near elder allowance, dependent allowance, reasonable and verifiable child care costs for children under the age of 13 years, and a maximum deduction for travel to work out of the area. There may also be a utility allowance provided in some cases.

Families that provide a complete application with required enrollment information, social security cards, and birth certificates for children less than 18 years of age will have their name placed on the waiting list based on the size of their family.

The DCH verifies information provided by the applicant; income, household, past Landlord reports, and a Wisconsin Circuit Court Access Program. The court report is examined because the Federal Law states those persons can be denied housing for certain alcohol and drug related criminal activities.

The DCH Staff reviews the waiting list and compares the preferences and requirements before they select a family to occupy a unit. Once a family is selected, they are notified and an orientation is arranged. The

family will review the required lease and all related policies and procedures before they are allowed to move in. The security deposit is due on the date that the lease is signed and the rent may be prorated if the move-in date is not on the first of the month.

Annual inspections of the unit are required however the housing has the right to inspect every 3-6 months. The DCH provides certain maintenance services to tenants through the work order process. Some tenants may be required to complete snow shoveling and yard maintenance.

All selected tenants are required to abide by all policies of the DCH in addition to the Stockbridge-Munsee Housing Law and Public Peace and Good Order Ordinance. Evictions and grievances are heard through the Stockbridge-Munsee Tribal Court.

- **Low Income Homebuyer Program**

The Low Income Homebuyer program has both a set minimum income requirement along with the maximum income requirement. A minimum income amount based on the size of the family is a set amount because a homebuyer is required to pay for all costs related to the home. This includes the monthly house payment, heat, electricity, and all maintenance and repairs. The DCH does not provide any assistance or maintenance to homebuyers.

Persons interested in the homebuyer program are required to apply and must be an enrolled Stockbridge-Munsee Tribal member that is eligible to hold a land assignment. Again, the DCH verifies information provided by the applicant and completed applications are placed on the waiting list. Again, the DCH Staff selects a family based on the information provided.

The DCH updates Homebuyer information "when a home or unit becomes available for either new construction or a used home." Homebuyers also complete an orientation to all policies and housing laws and receive the same type of allowances as the apartment applicants receive, when determining the amount of the monthly house payment. Homebuyers are required to complete an annual inspection of the unit. Homebuyers sign a lease and are obligated to abide by the

lease. All evictions and grievances for homebuyers are heard through the Tribal Court System.

- **Public Apartments**

The Stockbridge-Munsee Tribe built 2 apartment buildings that have 6 two-bedroom apartments in each building. These apartments are open to the public for occupancy. There are no preferences required. This waiting list is based on a first come, first served basis, after all information is verified. Applicants are required to complete an orientation before signing the lease. Policies and procedures along with the Stockbridge-Munsee Housing Law are provided to tenants along with the Public Peace and Good Order Ordinance.

For these apartments, the DCH verifies the past Landlord information, your credit history and background. The flat rent fee for the two-bedroom unit is \$470.00 per month and the security deposit is \$470.00 per month. The security deposit is due at the time you sign the lease. The six month lease will automatically renew for another six months if you do not provide a 30 days notice before the end of the first six months.

The DCH provides maintenance for the *non-low* income apartments. Tenants are required to call the DCH and report any maintenance needs. Each apartment has an air conditioner in the living room with sliding glass doors. There are two apartments downstairs in each building and 4 apartments upstairs. There is a laundry facility that has 2 washers and 2 dryers in each building and each apartment has a dishwasher. There is plenty of storage and closet space and the master bedroom and dining area have ceiling fans with light fixtures attached.

Each apartment has a one-car garage with a garage door opener. The building is secured and there is a buzzer system that allows you to open the door after a visitor has pushed your apartment number at the main entrance door. You can call 715-793-4219 for more information or an application.

MEDICAL/HEALTH SERVICES: (Clinics, dentists, etc)

Health & Wellness Center 715-793-4144

**W12802 County A Road
Bowler, Wisconsin 54416**

The Mohican Family Center strives to get all community members involved in program participation in order to help build and maintain a strong and healthy community. Our programs are based on the "mind, body, and spirit" concept of wellness.

Welcome to MFC Fitness Center

Monday through Friday 6 am to 7:45 pm.

Recreation activities Monday through Friday 3:30-8 pm and Saturday Noon-8 pm for the months December through May. Summer hours will be effect June.

The MFFC has a very welcoming Fitness Staff (FS) available. Our FS has two Certified Personal Trainers and one that is well qualified. We are willing to help you increase your knowledge and your safety of exercise. We can offer you many things such as programs specifically made for you, spotters on all pieces of equipment and knowledge of different exercises for specific muscle groups. We also offer Fitness Assessments and Tests.

MFFC has many types of Weight Room and Cardio Room equipment. Some of the major weight room equipment we offer is as follows: Leg Press/ Hack Squat, Leg Extension, Leg Curl (seated or lying), Bench Press, Smith, Cable Cross-Over, Lat Pull-Down, Assisted Pull-Up/Dip, Total Hip, Dumbbells. Some of the minor weight room equipment is as follows: Bosh Balls, Balance Boards, Medicine Balls, Resistance Bands, Swiss Exercise Balls, Hurdles, Agility Ladder, Polymeric Rings, and much more. The Cardio Room Equipment is as follows: Treadmills, Elliptical, Bikes and Steppers. If you have any questions on how to use any of the equipment please ask the FS and we will be more than happy to help

There are two recreation coordinators and one events coordinators at the Family Center. The recreation coordinators plan the day-to-day activities, a lot of fundraising, field trips and events for the youth and

their families.

Activities include basketball games, basketball tournaments, Volleyball games, volleyball tournaments, cooking classes, card games, table games, scrap booking, Native American games, little league, wrestling, sewing, regalia sewing, Native American dancing, and field trips to movies, bowling, basketball games, volleyball games, tournaments, and powwows.

The Mohican Family Center Staff always welcome visitors and volunteers to participate in the events. If you have any questions or comments please call the Mohican Family Center at 715-793-4080
